FOR IMMEDIATE RELEASE

50 TOP BIRDING SITES IN KENYA

CATHERINE NGARACHU

For the very first time - a detailed guide to Kenya's best birding areas, enabling local and visiting birders to locate key birds species in 50 different sites.

The book offers:

- a detailed map for each site with specific guidance on what to look for and where information about the various birds likely to be seen.
- descriptions of each site, indicating the plants and other wildlife that may be encountered.
- tips for planning your trip.
- road directions to each site.

Catherine Ngarachu was the founding editor of *Kenya Birding*, Kenya's only magazine dedicated to birds and birding. She has been active in conservation for most of her life, working for the East Africa Natural History Society and as a founding member, champion and present chairperson of the Friends of City Park.
